

Join bluebiz

Each calendar year, you must spend 5,000 euros (or equivalent) before blue credits are added to your account.

[Read more](#)

Do you travel abroad for your company, or do your colleagues frequently go on business trips? Take advantage of the numerous benefits that bluebiz has to offer and start saving for free tickets today!

Blue credits are like cash

Each blue credit equals one unit of your local currency, making it easy to understand your rewards.

Completely free

Use your blue credits for tickets, upgrades, changes, or flight-related services without spending any cash.

Free name change

You can change the name on Air France or KLM tickets free of charge!

Book now, pay later

This service* lets you hold a reservation and cancel for free before issuing a ticket.

It's so simple...

1. Enrol at bluebiz.com.
2. Include your bluebiz number with each reservation.
3. Earn blue credits and redeem them for free flights, upgrades, and flight-related services.
