

Le French Festival 2024 Celebrates Sport, Family and Inclusivity

Le French Film Festival 2024 returns from 29th May to 14th July celebrating sport, family, and inclusivity to unite Malaysian and French cultures. This 22nd edition, themed around sports in honor of the Paris 2024 Olympic and Paralympic Games, promises a wide range of events and activities across Kuala Lumpur, Penang, Johor Bahru, and Kuching.

Co-organized by the Alliances Françaises de Malaisie and the Embassy of France in Malaysia, the festival aims to deepen community connections with diverse entertainment options, including cinema, digital art, photography, painting, music, dance, theatre, sports, and gastronomy.

Here's a glimpse of what to anticipate:

- **Cinematic Delights:** Explore a **curated selection of 16 movies**, featuring the latest releases from France. Highlights include *The Three Musketeers: Milady*, *The Taste of Things* and *The Animal Kingdom* alongside family-friendly options like *Epic Tails* and *The Little Nicholas*.

Experience later that day the electrifying energy of breaking, one of the 2024 new Olympics disciplines, during our **Breaking Battles**, featuring the French DJ T-Sia and renowned Malaysian breakdancers such as Lego Sam. Finally, lace up your running shoes for a **Fun Run** through Titiwangsa Park on 7th July, followed by a leisurely stroll through a **flea market** at AFKL.
- **Arts for everyone, everywhere:** as per our tradition, Le French Festival will be the opportunity to enjoy theatre plays, concerts, exhibitions, participate in workshops and even more throughout the weeks.
